

The Jewelry Industry's **Best** Advertising Value

Year-Round Internet Advertising

- When a bride within 50 miles of your store enters her zip code on www.nationalbridal.com, our national website, your store name will appear. She will then click on your name to bring up a profile (pop-up window) about your store and what you have to offer. This includes descriptive copy, a full-color photo, name, address, phone, fax, email, etc. If you have a website, it also links directly to it.

- Our site is powered by our "Connect Software" and includes our National Bridal Email Sweepstakes registration form. When a bride registers on our site, our database identifies the member that is nearest the bride's zip code. It then automatically sends an email to the bride confirming her Sweepstakes registration and recommending that she visit your store. We forward her your address, phone, fax and email. This software also sends the bride's contact information to your email, so you can call or write a personal note.

Year-Round Bridal Magazine Advertising

- Your store name and location in full-page ads three times a year in Bridal Guide magazine, and eleven additional ads promoting our website (which promotes your store) in Bridal Guide and Bride's magazines. In total, the National Bridal Network will be promoted in 14 full-page ads per year. Our unique store listing page has the headline, **"America's Leading Jewelry Stores"**

Year-Round Enhancements To Your Local Advertising

- High-quality print ads for your local area provided to you on a CD-ROM. It includes small and medium-sized ads with fabulous photography.
- National Bridal Email Sweepstakes: Year-round promotion that adds "zip" to your local advertising and brings more traffic in your store. You have the option of adding the Sweepstakes registration to your site enabling you to capture the names of brides that visit your site.
- National Bridal Service logo. You are authorized to use our logo and trademark, Member National Bridal Service, in your local advertising.
